Shri Niyaz Ahmad has been working at PLL Corporate office since the past one year under M/s Rakshak Securitas Pvt Ltd.

Shri Niyaz's wife has not been keeping well for more than a year and she had to undergo an unavoidable lifesaving surgery as per doctor's advice. She is fine now by the grace of God. However, the medical expenses incurred for the treatment has burdened Shri Niyaz with debts. With his meagre salary, he is sinking further in debt which is severely affecting his own and family's wellbeing.

We have an opportunity to extend our support with our best possible capacity and stand by Shri Niyaz to pull him through the current condition. He has already tried to manage the treatment cost of his wife with his meagre salary and whatever savings he had but has found himself unable to cope with it.

At this hour of great difficulty, we must stand by Shri Niyaz and help him to cope with the financial distress faced by him. In this regard, all employees are requested to extend wilful support to Shri Niyaz to overcome the financial distress caused due to the heavy medical expenses for the treatment of his wife by wilfully contributing in the best possible capacity under Good Samaritan Initiative of Petronet LNG Foundation.
