Sir/Ma'am,

Mrs. Sunitha P.S., a contractual housekeeping staff engaged at Kochi Terminal through M/s. Total Care Security since August 2025.

Mrs. Sunitha's 19-year-old son, Master Arshad, sustained a Type II Open Both-Bone Fracture of the right leg in a road accident and underwent wound debridement and interlocking nailing of the right tibia on 10 August 2026 at Lourdes Hospital, Kochi. The estimated cost of surgery and hospitalization is approximately ₹1.25 lakh, with additional expenses expected towards medicines, physiotherapy, follow-up treatment, and rehabilitation.

Earlier this year, Mrs. Sunitha underwent treatment for a head injury following an accident, while her husband, who also met with an accident at his workplace, remains bedridden due to prolonged illness.

As the sole earning member, Mrs. Sunitha is struggling to meet the family's medical and household expenses, and the successive medical emergencies have placed the family under considerable financial strain.

At this difficult juncture, we appeal to the Good Samaritans of Petronet LNG Limited to extend a helping hand to Mrs. Sunitha and her family. Every contribution, irrespective of its amount, can provide meaningful support to the family and help ease the financial burden associated with her son's treatment and recovery.
