Dear Colleagues,

Mr. Devender Kumar, one of our contract employees has been rendering his service in Corporate Office as an office attendant. He is engaged with M/s. Nutech Group.

Due to severe stomach & abdomen pain, he was admitted to hospital frequently in the recent past. During consultation, he has been diagnosed with Cholelithiasis (also called the common bile duct stone or CBD stone). CBD is a condition characterised by the presence of one or many gallstones in the common bile duct. Due to this condition, the doctors have advised him to undergo surgery on priority.

Mr. Devender is the sole earner in his family. While he finds it difficult to make ends meet with his meagre income, it has become difficult for him to arrange funds for his treatment.

For reducing the financial burden of the family at this time of difficulty & hardship, requesting all the benevolent Good Samaritans of PLL to support Mr. Devender & his family by contributing towards the treatment and support this noble cause in the best possible capacity and stand by his side.

For contributing you are requested to kindly log on to <https://petronetlngfoundation.org/> and click on the Good Samaritan icon for the details.

Alternatively, you may log on to the PLL intranet and click on the Good Samaritan tab for making your contribution.

Kindly note the donation made for the aforesaid cause to Petronet LNG Foundation shall be eligible for deduction under section 80G of The Income Tax Act.

Thank you all, for your kind support extended for the causes under Good Samaritan initiative till date.
